**29th February 2019**

**For the personal Attention of Katy. Bourne Sussex pcc.**

**Dear Ms. Katy. Bourne pcc.**

**As you are the person who holds the Sussex Police Chief Constable and Sussex Police to account.**

**I have been advised by my client to address this case to you directly and as he claims that he is victim of long term Sussex Police who are actively running a campaign of Organised, Orchestrated long term the Elder and Disabled Abuse assaults, witness intimidation, harassment.**

**He claims that Sussex Police threatened members of his family surrounding the (murder of Matthew Heading his cousin) Mr. Neilson was acting as Approximate Adult for his cousin.**

**You will find that at no time has Mr. David. Neilson has been asked to make a statement. But has been a victim of Organised, Orchestrated Abuse, it seems that Sussex Police and Adult Social care are covering up this case. The question is why?**

**One thing you will find when you look at the records he is a Key Witness in the murder of Katrina Taylor. He holds a list of major crimes covered up by Sussex Police connected to the murder.**

**Our client claims that he has been the victim of long term elder and disabled abuse and intimidation threats at the hands of Mr Phillip Brotherton and Mr Mark Lee Waters and the occupants of Top flat 318. South Coast Road Peacehaven East Sussex BN10 7EL.( do note it's the same flat used by Marcel Sulc aka Mark Slade and the killers of Katrina Taylor) Just check Sussex Police records you will find that Mr Neilson is a key witness in this" unsolved murder"**

Other persons whose identity is unknown have also been involved in the campaign of organised orchestrated elderly abuse and intimidation assault and criminal damage to his flat and property as a consequence of which our client is in fear of his personal safety. He left his home of 50 years in May 2015. Over three and a half years ago he is homeless I do not know his location but he is afraid to disclose where he is.

Mr Neilson has advised me that he will not be returning to his home until such time as he has been assured by East Sussex Adult Social Services and Sussex Police of his personal safety (he is flagged as a person at risk)

Mr. David. Neilson is a very frail 73 year old severely disabled with Fibromyalgia and Macular sight loss problems. He was also diagnosed with P.T.S.D after the murder of Katrina Taylor 1996. It is clear that he has had no response.

Our client on behalf of the Tenants Freehold Management Company does not recognise the sale and the transfer of the lease to Phillip Brotherton (Goughacre Ltd) which we understand was dealt with by David Stockman and Tony Newey of Howlett Clarke Solicitors, Brighton.

#### Lewes District Council.

My client says that the Local Land charge placed on his property is fraudulently placed on by CatherineKnight Lewes Legal Services.

He holds documentation of her working with Marcel Sulc aka Mark Slade

In the cover up of crimes and the fact that Katrina Taylor's killers where using the flat.

Plus a long list of crimes relating to Lewes District Council corruption linked to Sussex Police.

My client cannot legally sell his house or remove the charges that have been placed on the Freehold and the Company until this matter is resolved.

But he believes that he maybe defrauded out of his property.

As you will find during your investigation that illegal transfers of leases by persons claiming to own the property or be called lease laundering.

My client has full documentation on his claims has made full statements and documents on this case and will be available when required.

Please note we continue to act on behalf of our client and his freehold company and that you should use this address for service of any proceedings and on-going correspondence. If you want to contact Mr. D. Neilson please do so through our firm.

Could you please send me a copy of the statement that David Neilson made on the 10 of July 1996 to Sussex Police Officer O'Donnell after Mr Neilson's information lead to the murder weapon being found? and identified Simon Williams and his cars registration number whom Sussex Police where trying to trace ."white Renault 5 C 744 RYJ" Mr Neilson

told the Officers that Simon Williams was in the 318 Top Flat South Coast Road morning after the murder had this on his person in the Top Flat South. Where he was working.

James and co
